VNO 201
Friedrich WINNIG, alias GATIS, born 20 May 1909 in DESSAU,
residing at 38 Lueneburger Dam, HANNOVER-KLEINFELD.

Under date of 13 April 1954, file IFE/61, 3-537/54, SUBJECT
as above, this office received from the Bundesamt fuer Verfassungsschutz
information pertaining to SUBJECT which may be translated as follows:

"The BIV has been investigating WINNIG, who until now has been known by
the name of GATIS, since the summer of 1953. WINNIG is a musician who
resides in HANNOVER, and reportedly maintains intensive connections with
persons in the Soviet Zone of Germany.

"According to a photostat of an excerpt of the Organizational Register
of the HANNOVER District Court (which is available at this office), WINNIG
is a staff member of the 'Association of German Authors' in HANNOVER (a
writers and composers association).

"According to his own statements (B-2), all his student friends reside in
the Soviet Zone. He is in constant contact with leading musical groups
there; also with the 'Arwa' the counter part of 'Gema' in the Federal
Republic. (B-6) Subsequent to his presence at the HANNOVER Festival in
East BERLIN in July 1953, he visited the SCHUBERT Festival in the same
city. He presently has an invitation to attend the HANNOVER Festival which
is to be held in HALL in June, 1954. He wrote a piece of music for the
HALL symphony orchestra, and it is allegedly for this purpose that he will
visit the city.

"On a separate page to the 19 June 1953 edition of the newspaper "Die Wahrheit",
there appeared in print a telegram written by WINNIG in which he stated that
the 17 June unrest in East BERLIN was arranged for by the West. WINNIG added
in this telegram that if & when the workers of the GDR had arrangements to
make with their government, then a third party (the Americans and the Federal
Republic) had no right to interfere. (B-2)

"This matter is reported for your kind attention, because WINNIG is also
working for RIAS and has a good income from this source (B-2)."

The BIV forwarded the above report as a matter of information, and
your attention is invited to the statement that WINNIG received an income
from RIAS. For your information, the organization reported as Gema, is
the German "Society for Musical Production Rights" (GERA - Gesellschaft fuer
Musikalische Auffuehrungsrechte).

ENGELSING, Dr. Herbert, born 2 Sep 1904 in OVERATH.

Under date of 5 May 1954, file II/G-a-3 0930/54, SUBJECT:
KUKOVITSCH, Hans (CHOCNLOS's German Assistant), OCA received from
the Bundesamt fuer Verfassungsschutz a report which may be trans-
lated as follows:

"1. During an investigation of certain individuals who were in
connection with the inner circles of the 'Rote Kapelle' (Red Chapel)
during the last war, the name KUKOVITSCH, residing in LIEBAU, was
noticed.

"2. In 1948 KUKOVITSCH was observed to have held confidential
discussions with Dr. Herbert ENGELSING, born 2 September 1904 in
OVERATH, Kreis MUELSHEIM/Ruhr.

"3. Until 1952, the following information regarding Dr. ENGELSING
was obtained by II/G:

During the dissolution of the 'Rote Kapelle' in the year 1942,
ENGELSING was made known, and was suspected of having been engaged in
high treason, or treasonable activities, in connection with Marie
SCHULZE-BOYSEN, Guenther WEISSENBERG, and the married couple RITTMER.
Those arrested from the circle of individuals presented the relationship
with ENGELSING in such a manner as to indicate that the acquaintance
was on a social basis only. Because no further evidence against
ENGELSING was available, he was not arrested at that time.

Greta KUCKHOFF, formerly active within the 'Rote Kapelle' organization,
and presently the president of the Soviet Zone Issuing Bank, made a
statement for the record of the LUERHEND District Attorney, in the
case against the accused Dr. ROEDER, which among other things revealed
that in 1936 - 37 Dr. ENGELSING made the acquaintance of SCHULZE-
BOYSEN through the editor of the 'Rote Fahne' (Red Flag) in BERLIN,
Johann SIEG. Frau KUCKHOFF also met ENGELSING personally in the same
house. She contended that ENGELSING was without a doubt well informed
about the activities of the SCHULZE-BOYSEN circle through the close
ties existing between ENGELSING and SCHULZE-BOYSEN, and that he
(ENGELSING) worked in close cooperation with the SCHULZE-BOYSEN circle.

Another former member of the 'Rote Kapelle', Dr. Hugo BUCHHEIM,
HAMBURG, in his statement to the District Attorney in LUERHEND,
revealed among other things that ENGELSING was knowledgeable of the
activities of SCHULZE-BOYSEN, and that SCHULZE-BOYSEN had used the
hospitable home of ENGELSING as a cover for his activities.
